

Educating Young Children for Success

Dear Parent/Caregiver:

Welcome and thank you for choosing Newmeadow ABA Insurance Services for your child's home and community learning experiences guided by the principles of Applied Behavior Analysis.

At Newmeadow, we offer a variety of services which include center-based programming for children ages 3-5 years as well as home and community-based programming and support for children ages 3-5 years old who attend the Newmeadow Preschool program. Please feel free to visit our practice website at www.newmeadow.org.

Your trust in our knowledge and expertise in Applied Behavior Analysis is very important to us. Our commitment is to provide you and your child with an accurate assessment coupled with an effective and fluid treatment plan through the use of Applied Behavior Analysis techniques in a compassionate and caring manner.

New York State Licensed, Board Certified Behavior Analysts, Special Education Teachers, Registered Behavior Technicians and other Staff at Newmeadow ABA Insurance Services strive to provide our clients with the best ABA programming available that is supported by scientific, peer-reviewed research.

We invite you to take a few minutes to read and complete the information packet available for download on our website regarding what's offered at Newmeadow ABA Insurance Services along with other general information. Please return all completed forms as soon as possible.

You can expect a call from our front office staff to review submitted forms (if necessary) within about a week of receipt.

Please review the checklist to be sure you have included all necessary information, reports and the script for ABA therapy. This checklist will also help you understand when services are likely to begin with your child.

Again, thank you for choosing Newmeadow ABA Insurance Services as your ABA provider. We look forward working with you and your family.

Sincerely,

Newmeadow ABA Insurance Services
