

Update 6/5/2020

Good Afternoon,

The last day of program for all students will be Thursday, June 25th. Thank you for the opportunity to work with your child and for a most interesting and challenging year.

The Governor has announced that Summer School will continue as distance learning. We are awaiting guidance from the State Education Department to determine what, if any, changes might occur with summer session. We will continue to update you as we receive more information.

Summer classes will begin on Monday, July 13th. New consent forms will be mailed out to you shortly for teletherapy services. Please return them to the school as soon as possible. Please direct any questions to Stacey Cornell at scornell@newmeadow.org.

Thank you again for helping to make this school year possible.

Be safe and be well.

Sincerely,
Andrew F. McKenzie
Executive Director
